8. **Settings icon** – This allows you to navigate to the settings page. The settings icon is green showing that you are on the forms page.

SPECIFIC FORM PAGE

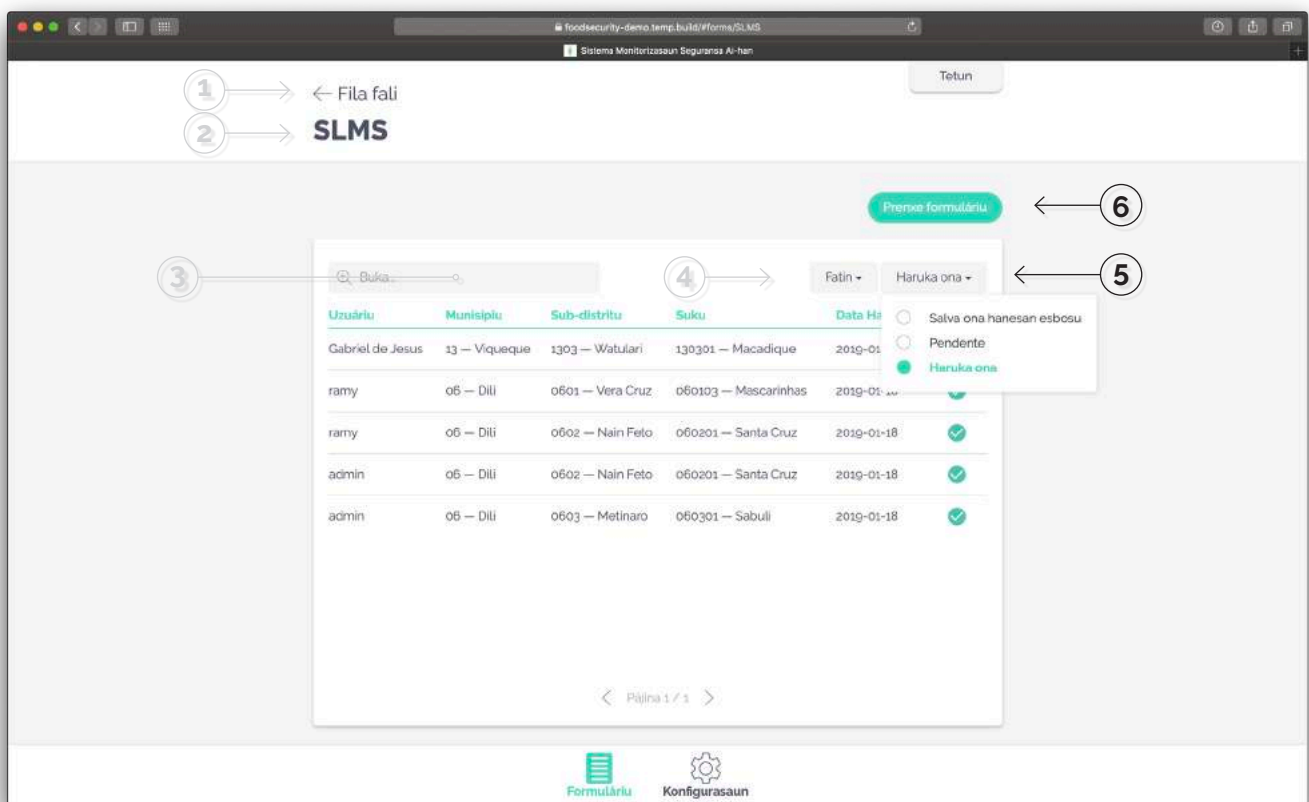

- 1. Title of the form category** – This page shows all the submitted and draft responses for this form category and allows you to fill out a new form
- 2. Back button** – This allows the user to navigate to the previous forms page
- 3. Search bar** – This allows the user to filter the responses to this form by what is typed in this box

SPECIFIC FORM PAGE

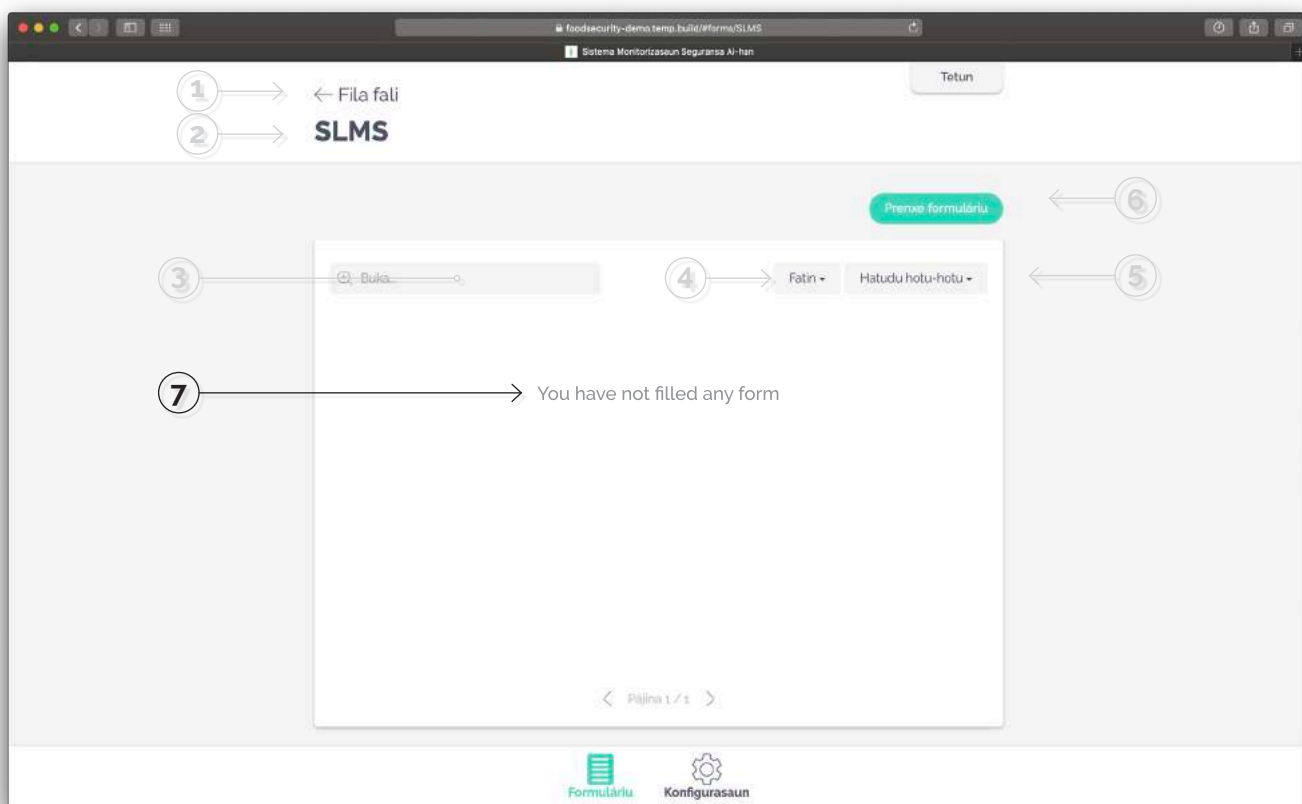

4. Location filter – This allows the user to filter the responses to this form by the location they were input as. This can be at the suco level, subdistrict level, municipality level or all of TL.

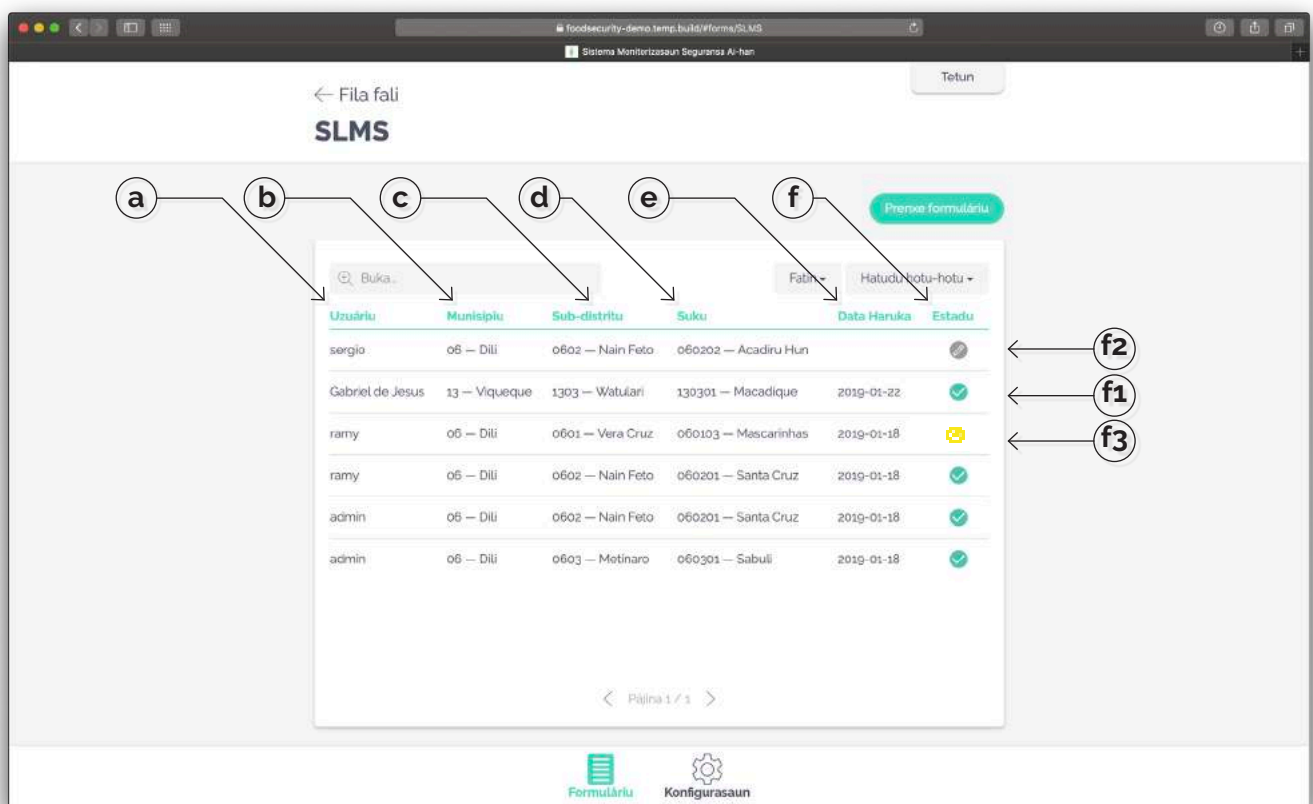

5. Status filter – This allows the user to filter the responses by the submission status of the responses (Submitted, pending and/or draft).

6. Fill out a form button – This allows the user to fill out a new response to this form and will take them to the fill out a form page.

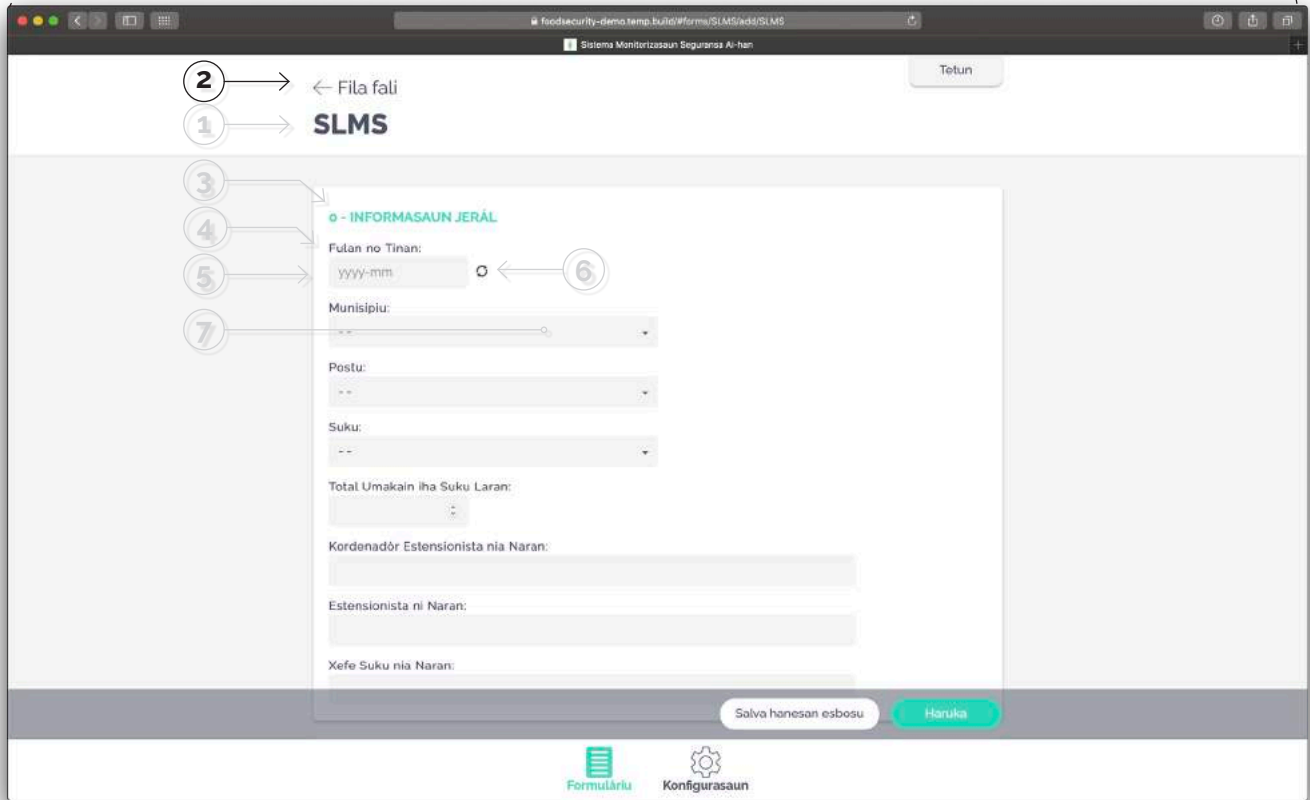

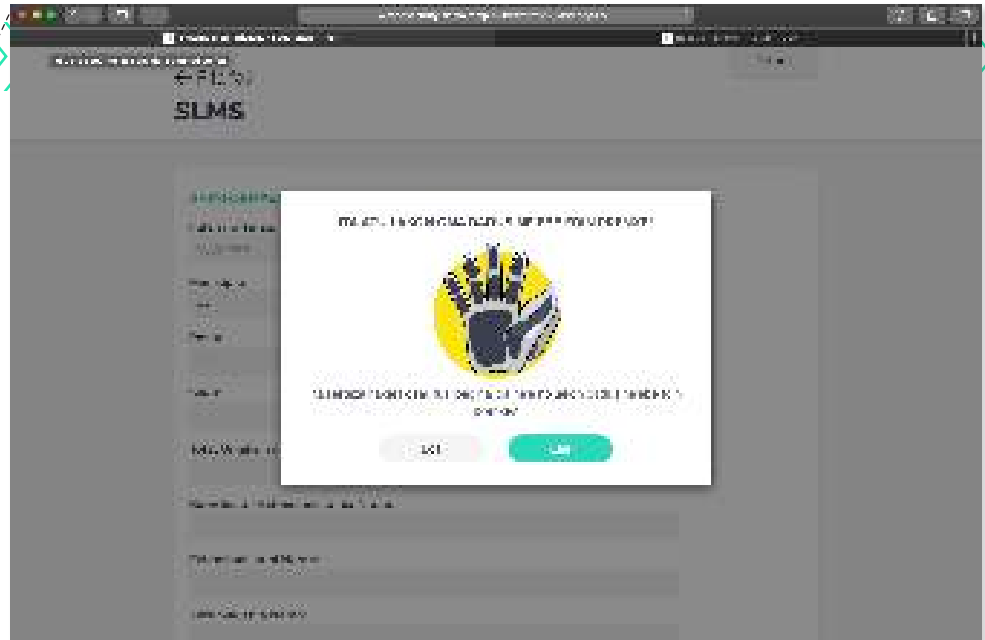

SPECIFIC FORM PAGE

7. List of responses – this will show the responses with the following information based on the filters that have been applied. This currently shows that no responses have been submitted for this form. If there are many forms there will also be page navigation at the bottom of the list.

- a. **User** – the username of the user that filled out this response
- b. **Municipality** – municipality selected for this response
- c. **Subdistrict** – subdistrict selected for this response
- d. **Suco** – suco selected for this response
- e. **Submission Date** – date that the form was submitted
- f. **Status** – the status of this response
 - f1. **Submitted** – user has submitted the response and the system has accepted it
 - f2. **Pending** – User has submitted the response, but the system is still waiting to process it
 - f3. **Draft** – User saved response as draft

2. Back button – This allows the user to navigate to the previous forms page. This will show a confirm modal as any information that had been entered will be lost.

FILLING OUT A FORM

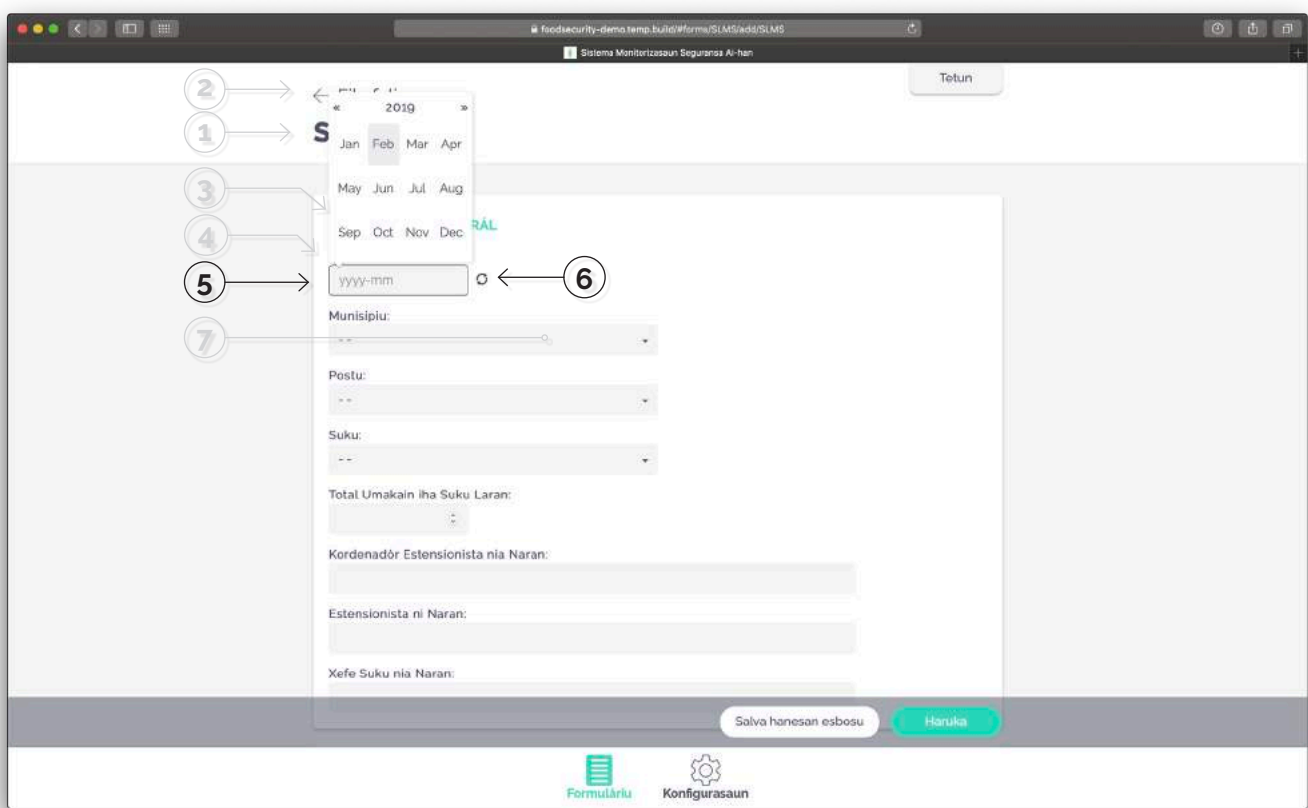

The screenshot shows a web browser window displaying a form titled "INFORMASAUN JERÁL". The form is part of a system called "SLMS" (Sistema Monitorizasaun Seguransa A-nan). The form contains several fields and a submit button. The fields are:

- Fulan no Tinan: A date input field with a placeholder "yyyy-mm" and a calendar icon. A callout 6 points to the calendar icon.
- Munisípiu: A dropdown menu with a callout 5 pointing to the dropdown arrow.
- Postu: A dropdown menu with a callout 7 pointing to the dropdown arrow.
- Suku: A dropdown menu with a callout 4 pointing to the dropdown arrow.
- Total Umakain Iha Suku Laran: A numeric input field with a callout 3 pointing to the input area.
- Kordenadór Estensionista nia Naran: A text input field with a callout 1 pointing to the label.
- Estensionista ni Naran: A text input field with a callout 2 pointing to the label.
- Xefe Suku nia Naran: A text input field with a callout 7 pointing to the label.

At the bottom of the form, there are two buttons: "Salva hanesan esbosu" and "Hanika". The browser's address bar shows the URL "http://localhost:8080/foodsecurity-demo-temp-build/#forms/SLMS/add/SLMS".

3. Title of question category

4. * - marks required questions. Questions that must be complete in order to submit the response.

5. Date selector – calendar style pop-up will be displayed to select date information. In this case month and year.

6. Date selector – calendar style pop-up will be displayed to select date information. In this case month and year Drop-down list icon – This symbol shows that there is a list of information to select from.

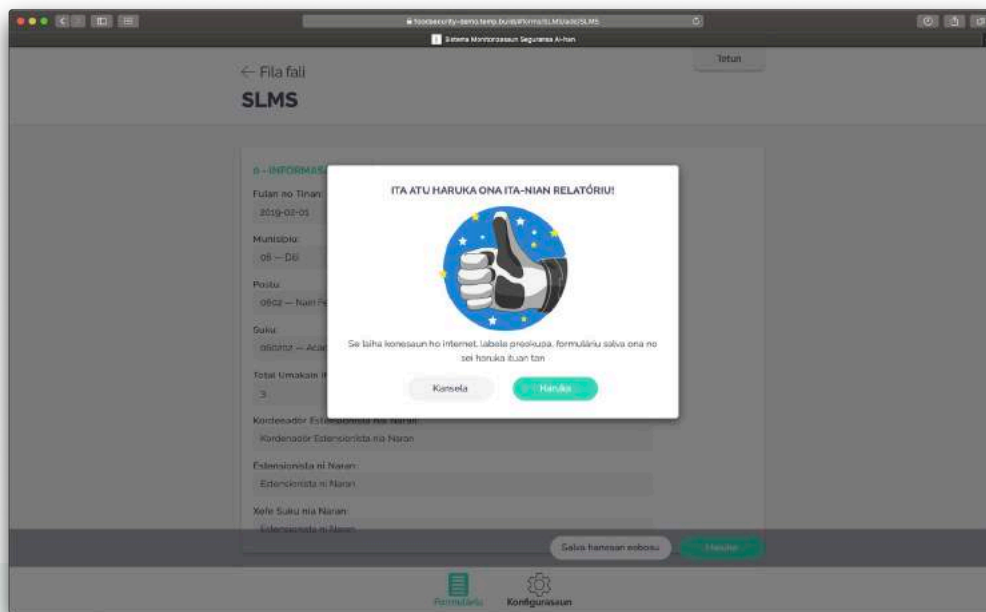

FILLING OUT A FORM

The screenshot shows a web browser window displaying a form titled "SLMS". The browser address bar shows "frodsecurity-demo-temp.bulid/Forms/SLMS/add/SLMS". The page title is "Sistema Monitorizasaun Seguransa AI-han". A "Tetun" button is in the top right. The form has a breadcrumb "← Fila fali" and a "SLMS" header. The main form area is titled "o - INFORMASAUN JERÁL". It contains the following fields and elements:

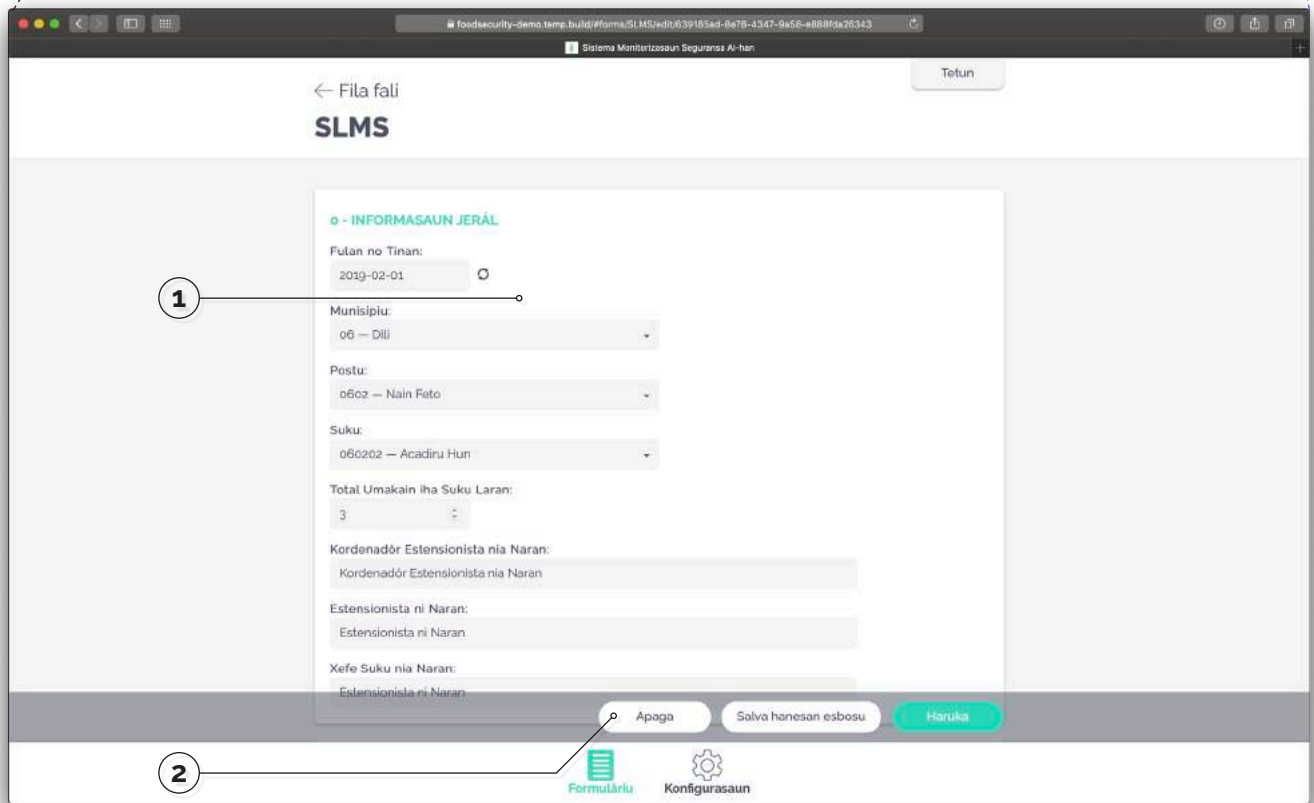

- Field 1: "Futan no Tinan:" with a text input containing "yyyy-mm" and a calendar icon. A callout 6 points to the calendar icon.
- Field 2: "Munisipi:" with a dropdown menu. A callout 7 points to the dropdown arrow. The dropdown list includes: "01 - Ainaro", "02 - Aileu", "03 - Baucau", "04 - Bobonaro", "05 - Covakima", and "06 - Díli".
- Field 3: "Kordenadór Estensionista nia Naran:" with a text input.
- Field 4: "Estensionista ni Naran:" with a text input.
- Field 5: "Xefe Suku nia Naran:" with a text input.

At the bottom of the form, there are two buttons: "Salva hanesan esbosu" and "Haruka". The footer contains icons for "Formuláriu" and "Konfigurasaun".

7. Save as draft – this allows the user to save the response in its current state as a draft to complete later.

8. Submit – This allows the user to submit the response. This will show an error modal if any of the required questions haven't been completed or a confirmation modal if they have all been completed.

2. Delete button – Delete the draft response from the system. This will prompt the user with a confirmation modal
